

ALTOONA WATER AUTHORITY

PUBLIC NOTICE ANNOUNCEMENT

Please do not disregard this notification. The information being requested is vital to ensure the Altoona Water Authority (AWA), can provide for it's customers immediate notification in the event there is any potential problems in the public water system that could be a risk to the publics health or safety. This will also allow the AWA to be in compliance with the new EPA requirements for public notification.

The most effective form of notification is utilizing an automated calling system. This system will be activated when the AWA deems a potential health risk may have occurred and will be limited to the affected area as defined by the AWA. You will be provided with important information regarding the potential risk, and procedures you should follow.

Please complete this form and return it to our customer service department. If you have any questions regarding this matter or you prefer to provide the information to one of our representatives, you may contact our customer service department at 814 949-2540.

Your cooperation is greatly appreciated!
